FAQ

1) Q: Does the POS machine come with POS software?

A: We are a POS hardware manufacturer, so POS machines are only equipped with operating system, not POS software. There is no universal POS software provided because different countries have different languages and different applications have different requirements.

2) Q: What are your shipping terms?

A: Yes. It can be delivered by express (DHL/FedEx/EMS/UPS/TNT), by air, train or sea. We will try our best to check the economical mode of transportation for you.

3) Q: How long do you offer a warranty?

A: Yes. We offer a 25-month warranty for QPOS. The warranty period starts from the invoice date.
